

**A Two Day Workshop**  
conducted by **ABJF** (Athato  
Brahma Jigyasa Foundation)  
*\*6 Magic of Basic 9\**

**Date:** 25<sup>th</sup> and 26<sup>th</sup> June 2010 **Venue:**  
Manas Mandiram, Shahpur

**HIGHLIGHTS OF THE TOPICS COVERED IN WORKSHOP** {through discussions and video cases}:

- **BASIC PRINCIPLES** of homeopathy and elaborate understanding of **HUMAN CORE**: One thing which is constant and true for this science.
- Discussion upon the **MISSING LINK- from Vital principle of Hahnemann's era till the Vital sensation of today's time**, and understand how it is just an extension of Hahnemannian method for better application of his principles.

- Complete aspect of human centric **CASE WITNESSING PROCESS (CWP)**: The art of listening in **PASSIVE**, entry into the **ACTIVE** and the final journey of **ACTIVE-ACTIVE**.
- The **AIMS, WHAT and WHY** of CWP to make the process more scientific and reproducible.

**CASE ILLUSTRATION** : to see the practical utility of this wholistic theory.

- First was Animal case in which the patient gave us the complete pattern and also how beautifully every aspect of case was getting unveiled to reach the final source. It was a complete presentation with every step of CWP and its scientific understanding. Remedy given to the patient was **PYTHON**.
- Next day we went one step ahead and started with a fact level case of a child which was presented to get an idea of how to go about in different types of cases.

Early morning a relaxing session of Yoga with Dr. Urvi Chauhan.

**Testimonials upon Lecturer, Lecture content and Organizer :**

"**LECTURER:** Occasionally in life you feel some questions are unanswerable or answers aren't necessary. But for sir this isn't true, he has answers from simplest to complex doubts, just love him! **LECTURE CONTENT:** Always thought provoking, the more you meditate on it better it gets! **ORGANISATION:** Awesome!

Every time the understanding gets better. And as you attend lectures of dedicated people you understand the difference between belief and faith, between liking and desire, between love and passion and then the connection between verbal and non verbal develops. Thank you sir!"

"the lecturer is amazingly great... not only he explains each and every point precisely but he gives a scientific reason for everything, he answers all the questions patiently and his sense of humor makes lecture interesting...the lecture content helped us widen our approach towards case taking, gave us confidence towards the system...the organization done was truly appreciable.. food, stay, place really good and refreshing...Dr. Dinesh and Urvi chauhan easily approachable."

"LECTURER: It's simply superb. Both the lecture that is sir's on case taking and other topic were excellent. And Urvi mam's yoga lecture was also superb.

"LECTURER: Lecture was really good, the speaker had good skills and saw to it that our point was made clear.  
LECTURE CONTENT: Lecture content was good; cases helped us to understand the patient.  
ORGANISATION: Everything was just perfect; the co-coordinators are very helpful and continuously kept

us updated about the next move before coming here.

SUGGESTIONS: Looking forward to coming back again. Was really helpful in guiding us since we are just beginners. Keep up the good work."

"I would like to congratulate Dr. Dinesh chauhan because these are the people who have great amount of knowledge but they don't know how to deliver this to the other in their standard and language. He taught with so much grace but very intelligently that the ratio of people not understanding coming to 0.0001% so I am very satisfied with it. He has all the style of a graceful teacher, expertise of all areas and skillful presentation..."
