Feedbacks

- 1) The way of conducting the seminar is very good; sir explained the cases in a very simple way, like he gave a lot of day to day examples by which we could easily get him. Learnt a lot of patience from you sir.....Dr. Vatsalaraje Sawant.
- 2) Style is very simple so we can understand very clearly.....Dr. Madhavi Arvind Darekar.
- 3) Seminar was full of knowledge, I used to think that practicing by classical method and that to sensation method is difficult, but after dr. chauhans lecture I am confident about practicing this way...Priti Katkar.
- 4) Powerful-everything-style, content, way of conducting got many insights about case witnessing process. It was very nice to see the whole process....Dr. Prashant Sonwane.
- 5) D.C. Style was simple yet powerful enough to penetrate inner self, definitely changing the thought process, helpful in healing the patient and the self....Dr. Kirtiraj Vatkar.
- 6) Very natural, honest, scientific way of explaining small, small details, the content is of supreme logic, free of manipulation and dramatization....Dr. Anagha Deshmukh.
- 7) Dr. Chauhan sir's way of teaching is very convincing and logical and

enlightening....Dr.Neha Raole.

- 8) Contents of the seminar were good, got a good understanding of the wonderful world of children. Also understood the common mistakes I do usually in practise...Dr. Shardul Joshi.
- 9) Lecture style is really simple and can understand what sir really meant to tell about theme of remedy as it is so simplified and I really got correct directions to study remedies....Dr. Suvarna Khandekar.
- 10) The exploration and explanation of some contents by dr. Dinesh was excellent and satisfactory, the case of Natrum Phos really makes us to think what way we have to see in an unprejudiced way, also looking at the remedy....hope like this you all invite the practitioners who developed their own NEW concepts on search in Homoeopathy...Dr. Shubhangi Satpute.
- 11) Involvement of students and answering their every query without a single frown really made the students at ease to clear our doubts...Dr. Sumitra Ghatge.
- 12) Content of the lecture is very important for our personal practise and really interesting cases are good and explanatory, we learnt a lot from this seminar...Dr. Divya Wani.
- 13) Everything about the lecturer and content of seminar touched mind and brain thanks for that. I think this will start my journey into this approach...Dr. Rajendra.
- 14) the case witnessing in pediatric cases of course boosted up the confidence. Dr. Chauhan's vast knowledge is inspiring...Dr. Dipti Goenka.
- 15) The cases were excellent and very valuable for our further understanding of this method...Dr. Satyakaam Trigunait.
- 16) I liked the cases which will help me in my clinical practice...Dr. Meenal Jain.
- 17) I am really thankful to dr. Dinesh sir for giving us valuable information most of all I personally liked the "how to read MM" before this I had never been told or taught by anyone how to read MM now onwards I will do as sir said. Everything

is good, personally thankful to dr. atul Patwardhan and team...Dr.Musmade Sachin.

18) Well received case, presentation, presenter- perfect Nat Phos and Teucrium cases well analyzed, taken and prescribed....Dr.Harshad Kadam.

19) The main content of this seminar i.e. case taking is exactly what I wanted to know about more in detail, dr. dinesh chauhan sir has made my most doubts clear and I hope this will definitely help me in my practise....Dr. Ruta Shrikhande.

20) All contents of the seminar very nice, dr. Chauhan is with such a huge conceptual knowledge of homoeopathy, awesome knowledge of materia medica, differentiation of remedies he has done, was really very helpful and easy to understand....Dr. Kavita Jadhav.

21) Excellent clarity of concepts....Dr. Mayuri Parekh.

22) This seminar will surely help me to start my practise confidently....Dr. Neelima Thorve.

23) The content of seminar and way of conducting is very good, the lecturer explained the contents in a very simple way which makes it easy to understand. It was good as I got an opportunity to clear my doubts. It was a well organize seminar.....Dr. Deepika Tayal.
